3. On page 2 of your Eagle application, make sure the dates of your Position of Responsibility are correct (*6 months while a Life Scout*) and, the hours for your Eagle Project are filled in and match what is in the Report section of the project workbook.
4. You have a Life Ambitions & Goals statement
5. You have included your **Individual Advancement Record** from Scoutbook and all dates are filled in for Eagle with only the Eagle Board field blank
